

A decorative border of acorns surrounds the text. There are 8 acorns in each of the top and bottom rows. The sides are decorated with 6 acorns each, arranged in a staggered pattern.

Acorns

Friday 4th April 2025

And just like that, it's the last week of this busy Spring term! This week we've had a lovely time looking at signs of Spring in the garden. We've talked about how important celebrating Easter is for Christians and how everyone can celebrate Spring and the new life there is all around us.

The children created Easter nests and enjoyed an Easter egg hunt. We also got to meet some of our new friends who will be joining us after the Easter holidays, which was very exciting. A huge welcome to them and their families!

The children have been fantastic at learning our new poem 'Spring is coming'.

Spring is coming, spring is coming,
Butterflies in the air.

Spring is coming, spring is coming,
Flowers everywhere.

Spring is coming, spring is coming,
Lots of bumblebees.

Spring is coming, spring is coming,
Buds grow on the trees.

Spring is coming, spring is coming,
Birds are singing.

Spring is coming, spring is coming,
Bells are ringing.

Mr. Snuggles will be enjoying a lovely Easter break this week and will be looking forwards to going home with some more Acorns in the Summer term!

Reminders

Acorns gate opens at 8.35am - 8.45am – if you arrive after this time please enter via reception.

From the Summer term we would like all of our N2 children (the children moving up in September to FS2) to come into class independently.

Please drop your child at the door. We are trying to support the children's independence for transitioning.

We hope you all have a wonderful Easter break and look forward to welcoming you back on **Wednesday the 23rd April.**
